Senate Bill 119, currently under consideration by the Georgia General Assembly, would establish the first Monday in May of every year as "Water Professionals Appreciation Day in Georgia." In conjunction with the inaugural celebration, which will be observed on Monday, May 4, "Water Appreciation Day" will be celebrated this year on Saturday, May 2, and is intended to promote understanding and awareness of the importance of water resources to the health of our communities and environment, and to generate awareness and support for Georgia EPD's Rivers Alive program. Water Appreciation Day is also a day to bring attention to the thousands of dedicated professionals who work every day to protect and manage the use of our water. We hope you will join us in one of the celebratory events listed on this page.

## WATER APPRECIATION DAY

Coordinated by the Georgia Association of Water Professionals

### Attend the No Water, No Beer Event from 6:30 - 9:30PM at SweetWater Brewery.

Come celebrate the critical role that water plays in all that we do...even in producing the beer that we drink. Come enjoy delicious food, great music and some of the best beer in the Southeast. Proceeds from the event go to **Rivers Alive** and **Water For People**. A 21 and older event.
